Leases and Agreements Committee

Counsel Leroy informed the Board that an Appellate Brief will be filed on May 3 in the ongoing Emesco litigation.

Regarding Clean Harbors, the Port District has filed a Motion for Summary Judgment. Neal and Leroy will hire a real estate appraiser and a structural engineer to help determine the loss value of the property.

Chairman Forde reported that there have been a number of respondents to the RFI, and BMO will further review them.
Finance and Personnel Committee

Treasurer Oelerich reported on the Port income statement, balance sheet and check register for the month of March 2013. A Motion to accept the financial statements was made, seconded, and passed unanimously.

Treasurer’s Report

Chairman Forde noted that the By-Laws and Policies of the Port District had not been revised since 1983. He asked the members of the Board to vote to amend the By-Laws to more accurately reflect the way the Board currently does business. The number of standing committees would be reduced from six to two – Finance and Personnel and Leases and Agreements, to provide that the Board will set compensation for the Secretary and Treasurer, and to update the By-Laws so that they are gender neutral. Also, Staff will be directed to change the Purchasing Policy to include electronic transfers of funds, giving the Chairman and the Treasurer the same responsibility they currently employ with check signing. Mr. Bowen moved to approve the changes; Mr. Sullivan seconded; and the Motion passed unanimously.
