## RESPONSE TO QUESTIONS

1. Are Certified Payrolls required to be submitted?
  - a. **We are not collecting any payrolls.**
2. What days and hours are available to pick up a hard copy of the complete bid package? (I stopped by the office once and called a separate time to inquire. No answer was provided)
  - a. **There is not a physical bid package to pick up from the IIPD everything is available online at our website, [www.iipd.com](http://www.iipd.com), for download.**
3. Question 2 on the Response to Questions states that an addendum is forthcoming on due date. When will the addendum be issued and are bids still anticipated to be due on September 28<sup>th</sup>, 2018?
  - a. **The only addendum added was ultimately the secondary viewing of the proposed site.**
4. Can you provide the insurance requirements needed for the project?
  - a. **You just need to provide what insurance coverage you have and will utilize on this project.**
5. Is there any hazardous waste within the project limits? If so, will it need to be hauled off site?
  - a. **There is not hazardous waste on location. If applicable, it will need to be hauled off site.**
6. Line item 3, Labor and Material bond is part of line item 4 , the Performance Bond and cannot be broken out. Can you strike this from the bid form?
  - a. **This just needs to be noted in any submission.**
