RESPONSES TO INQUIRIES FOR THE IIPD'S SOLAR RFP

1. Can you supply your ComEd utility bills and the bills you receive from your alternative energy supplier?
 - a. **Yes. Please see attached.**
2. Can you supply any electrical drawings either one line or schematic for the sites?
 - a. **Will provide.**
3. Should each building be treated as a separate system or will the net metering credits from one of the buildings be applied to your aggregated load in your account?
 - a. **Will do whichever is best for system provided.**
4. Do you have a ComEd account manager contact that we can speak to?
 - a. **No.**
5. Are anticipating the cost of re-roofing in the proposals?
 - a. **It is my understanding that for the roofs to sustain the equipment necessary they may need to be upgraded.**
6. Have you had any re-roof estimates recently?
 - a. **No.**
7. If this project was not contemplated or was not to move forward would you be planning on re-roofing any of these buildings?
 - a. **At some point reroofing will become a necessity.**
8. Meters & Account Numbers: Can you please provide a list of all Meter Numbers on site and the Account Numbers for each meter?
 - a. **Will be provided.**
9. Also, can you please confirm that all Account Numbers belong to IIPD and that there are no other third-party Account Numbers on site?
 - a. **Everything provided belongs to the IIPD.**
10. Annual Load: Can you please provide the total annual load in kWh for each meter on site?
 - a. **Will be included with the meters.**

RESPONSES TO INQUIRIES FOR THE IIPD'S SOLAR RFP (continued)

12. Meter & Switchgear Details: Can you please indicate where the meter switchgear is located in each building along with the voltage and amperage rating?
 - a. Will be made available at the next site visit.
13. Permitting Agency: Can you please confirm that IIPD is the authority having jurisdiction for permitting?
 - a. The IIPD is the permitting agency and has the authority to do so. However, the IIPD will determine following either the City of Chicago or State of Illinois' permitting process.
14. Union / Prevailing Wage Requirements: Can you please confirm there are no union or prevailing wage requirements?
 - a. There are not.
15. Electrical Single Line Drawing: May a site electrical SLD be provided?
16. Selection Criteria: Are there any known project selection criteria (ie. greatest long-term net present value savings to the District, lowest PPA rate, etc.?)
